What parents need to know about AGE RATINGS

If you have children, it is understandable to have concerns about the films and TV shows they watch, as well as the games they play. In this guide, we take a look at the two official ways you can assess if a particular title is suitable for your child. Both the BBFC and PEGI have search facilities on their websites that can be used to look up individual titles so you can check their ratings.

RATINGS FOR FILMS, TV & MUSIC VIDEOS

Since 1912, the BBFC (British Board of Film Classification) has informed UK residents of the age suitability of films, TV and music videos - providing parents with the information needed to assess whether or not it is appropriate for their child's age. This applies to cinema releases, DVDs and streaming video services such as Netflix.

WHAT ARE THE BBFC RATINGS?

BBFC ratings are broken down into seven age categories:

 Universal, suitable for all ages	 Parental Guidance required	 Suitable for people aged 12 and over	 Suitable for people aged 12 and over; anyone younger must be accompanied by an adult
 Suitable for people aged 15 and over	 Suitable for people aged 18 and over	 Adult content only available in specially licensed cinemas and specialist retailers	

WHAT ELSE CAN BBFC REVEAL?

Accompanied with the age suitability rating, BBFC also provide an additional warning regarding the content and what to expect, such as swearing, sexual content, violence and anything you may consider to be inappropriate for your child. In addition to this, the content is also rated in three levels: frequent, mild or strong.

LIMITATIONS OF BBFC RATINGS

It's important to note that there is no obligation on streaming video services to use or display BBFC ratings. Due to this, we advise that you check the rating online before your child streams the content. It may also be a good idea to watch the content first yourself or discuss it with other parents to help you decide whether or not it is suitable for your child.

RATINGS FOR GAMES

PEGI (Pan European Game Information) is a content rating system that ensures all video games are labelled with a minimum age recommendation. These age recommendations are based on the types of content featured within a game. With each game, PEGI also provide a content descriptor that indicates the potential issues and concerns, including sex, violence, bad language and drugs.

WHAT ARE THE PEGI RATINGS?

PEGI ratings are split into age restriction and content descriptors. Additional 'content descriptors' help parents and children to understand the type of content featured within a particular game, including sex, fear, bad language, discrimination, gambling, drugs, violence, and in-game purchases. In combination, the two different ratings can provide a good level of information to help make informed decisions regarding the suitability for your child.

PEGI age ratings are broken down into five categories:

 www.pegi.info	 www.pegi.info	 www.pegi.info	 www.pegi.info	 www.pegi.info
---	--	---	---	---

PEGI content descriptors are broken down into eight categories:

LIMITATIONS OF PEGI RATINGS

It's possible for young people to buy games online without a required proof of age, opening them up to age-inappropriate content without you knowing. We advise that you regularly monitor your child's gaming activities and maintain a honest and healthy dialogue with them about the online world.

PARENTAL CONTROLS

It is a good idea to put in place parental controls for all online accounts which your child may use to purchase or download online games e.g. The App Store, Google Play Store, PlayStation Store and Microsoft Xbox Store etc.

Attendance

It is crucial that Year 1 attend school every day of the 2 weeks beginning 9th June and 16th June.

The best way for your child to learn is to be in school, on time, all day, everyday and we really appreciate your support in this matter.

Everyone. Everyday.

OPAL

We would love to have gardening equipment in school, we would like spades, rakes, brushes, wheelbarrows, trowels etc. If you have any at home, or see any out in charity shops or recycling centres we would be very grateful!

We are looking for volunteers for our OPAL working party during the summer holidays again, this will likely be July 21st- July 24th.

Watch this space for confirmation!

SPORTS DAY

You're Invited!

Parents and Carers invited for Sports Day at 10am on Monday 14th July. Families can bring picnics to share after the event (these need to be nut and alcohol free) and we cannot facilitate BBQs.

Should you be unable to attend, or if you would like your child to have food to join your picnic, sandwiches are available to order from the canteen on school grid now.

Celebrations Outside of School
