There is so much to celebrate this week!

Summer Fair

Last Friday, the PTA organised an amazing summer fair for the school. It was a fantastic community event, which was enjoyed by adults and children alike. I would like to take this opportunity to say a huge thank you to the PTA for all of the work they have done to organise events and fundraise for the school this year. They have put in an incredible effort to help give our children the best school experience possible in many ways.

Sports Day

Today, we celebrated Sports Day. Again, I would like to say thank you to all who attended and a huge well done to the children and staff! It was a lovely morning, followed by our family picnic. I hope you enjoyed spending some time together and watching your children show off their sporting skills! A huge thank you to Mr Anderson, who organised all of the events today and the hard work he put into making today a success.

Year 6 Production

This week, Year 6 presented their end of year performance, an emotional moment for everyone who watched. We are so proud of them all and everything they have achieved this year. They did a wonderful job, taking us on a historical tour of their time at Gosford Park. Thank you to the Year 6 team for supporting the children to put on such a lovely production.

WEST HOUSE WIN

West House have won the overall number of Dojos for this term. Children from **West House** only may come in non-uniform on Thursday 16th July.

All of these wonderful things demonstrate our school values of **curiosity, resilience and ambition** are being demonstrated by all in our community.

As we move into the final week, we will still continue with our learning so it is important that all children are in school **every day**.

Have a wonderful weekend.

Remember, Everyone, Everyday! That's how we make a difference!

Parents' Guide: Growing Up with Phones and Taking Photos

Many children do not realise that photos they take, even if never shared, can be automatically stored online.

**Your Phone Saves More
Than You Think**

Most smartphones can automatically save photos online if backup is switched on and the phone has Wi-Fi or mobile data.

This means:

- Photos can be uploaded as soon as they are taken
- They are no longer just on the phone
- They can stay online even if deleted from the device
- If someone gets into the account, they can see and download these images.

Avoid taking images you would not want shared.

A trusted resource that supports open, honest conversations between parents and children about sensitive topics and how to stay safe.

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
