All parents and carers MUST pre order lunches through your school grid account- if you need help, please contact school.

This week I have been overwhelmed with pride with our oldest learners in school.

Firstly, I want to say a huge well done to our Year 6 children, as they completed their SATs this week. They showed resilience, maturity and a strong work ethic in a long and tough week. This was not only noticed by staff across the school, but our governors, volunteers and external visitors supporting the tests. The children deserve a good rest this weekend, before we continue our learning journey focusing in on our writing, science, history and geography topics.

I would also like to say a huge thank you to the children across the rest of the school. The level of understanding and respect shown during the tests was fantastic – you could hear a pin drop, allowing the Year 6's to focus on the task in hand.

Wrap Around Care

Below is our wrap around offer for next half term. SH Active came and spoke to the children about the after-school clubs, including a demonstration of Zorbing! If you are interested in any of the clubs available, please use the contact details below to sign up.

Have a wonderful weekend.

Remember, Everyone, Everyday! That's how we make a difference!

PARKING

Please can all parents and carers be mindful of where they are parking during drop off and pick up times. Incidents of drivers parking dangerously or illegally – on double yellow lines and double parking – are increasing, meaning it is unsafe for children and other members of the community accessing school or Humber Avenue at this time. Please also be respectful of other companies in the area – their carparks are not for public parking on the school run.

Parents' Guide: Growing Up with Phones and Taking Photos

Many children do not realise that photos they take, even if never shared, can be automatically stored online.

Your Phone Saves More Than You Think

Most smartphones can automatically save photos online if backup is switched on and the phone has Wi-Fi or mobile data.

This means:

- Photos can be uploaded as soon as they are taken
- They are no longer just on the phone
- They can stay online even if deleted from the device
- If someone gets into the account, they can see and download these images.

Avoid taking images you would not want shared.

A trusted resource that supports open, honest conversations between parents and children about sensitive topics and how to stay safe.

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
