All parents and carers MUST pre order lunches through your school grid account- if you need help, please contact school.

This week in school, we began to think about the qualities that make us great learners. We shared a story about Gus the Goose, who showed these values and achieved great things as a result. In the story, we saw Gus explore the world around him with curiosity, dream boldly with ambition and approach the challenges that came his way with resilience.

After the story, we discovered that Gus the Goose is a part of everyone in the school family and can be found in our school logo. This will help us all to remember the three values we live by at Gosford Park.

This half term we will be exploring the meaning behind these values and celebrating children who we see displaying them.

Remember, Everyone, Everyday! That's how we make a difference!

Celebrations Outside of School

This week we celebrate the wonderful achievement of Tejas (3B) and Divyangana (6G) from last week.

They both participated in the *International Hindi Poetry Week* organised by the High Commission UK. During the event, Tejas and Divyangana confidently recited Hindi poems with excellent fluency, making us incredibly proud.

I would like to sincerely thank the entire Gosford Park team for fostering enthusiasm for learning and for promoting a school environment where many cultures growing together. Your encouragement and support play a vital role in building students' confidence and love for their culture and home language.

If you have photographs or information about your child's achievements outside of school, please send them to

Winter Water Safety

Cold weather makes rivers, canals and ponds more dangerous. If you're out walking, remember:

- Stay off the ice
- Keep back from the edge
- Keep children and dogs close
- In an emergency, call 999
- If you fall in: float on your back & shout for help
- Stay safe this winter

Staying Active During the Winter

Keeping children active during winter can be tricky, but it's important for their overall health and happiness. Regular movement improves both mind and body.

Here are some tips to help make exercise more fun during the colder months:

- **Winter Scavenger Hunt** - search for animal tracks and wildlife
- **Plan a Snack Stop** - Bring along some hot chocolate or暖m milk, along with a healthy snack.
- **Go Geocaching** - www.geocaching.com
- **Winter crafts** - collect items for a winter potion or winter-themed arts and crafts.

For more ideas, check out the Woodland Trust website: [Ideas for Family Winter Walks - Woodland Trust](https://www.woodlandtrust.org.uk/ideas-for-family-winter-walks/)

Can't Get Outside?

Movement and exercise can be done indoors using online resources, creating obstacle courses, or simply turning on some music for dancing.

Awareness Days January to March 2026

Children's Mental Health Week

Place2Be's Children's Mental Health Week 2026 is due to take place 6th - 12th February 2026. This year's theme is "This is My Place" which is all about highlighting how important it is to support the people and systems around our children so they can grow up in welcoming, supportive environments where they feel like they truly belong and can say, "This is My Place".

Eating Disorders Awareness Week

Eating Disorders Awareness Week runs from Monday, 20th February to Sunday, 11th March 2026. It focuses on the loneliness experienced by children and young people dealing with eating disorders. EDAW emphasises the importance of community, family, and support networks in helping individuals feel supported and understood as they work towards recovery.

National Storytelling Week

National Storytelling Week takes place from 11th - 19th February to celebrate storytelling and is organised by the Society for Storytelling. The week aims to encourage the sharing of stories and the impact they can have. Storytelling has lots of benefits to children, giving a learning opportunity about things such as kindness and bravery. It helps children understand emotions by encouraging feelings like laughter and sadness. It can also enhance imagination and creativity, and give you wonderful bonding opportunity with your children.

Cold Weather & Child Health

Colder weather can affect children's health, particularly those with asthma, eczema, or other long-term conditions. Here are some tips to keep in mind:

- Hydration and Nutritious Meals - Help children stay comfortable by keeping them hydrated and eating healthy.
- Indoor Temperature - Remember to keep indoor temperatures at least 18°C to create a comfortable and cozy environment.
- Layer Clothing - Dress children in layers for their journey to and from school.
- Warm Accessories - Dress them in warm coats, gloves, and hats.
- Ventilation - Ensure proper ventilation while keeping spaces warm.

Health Awareness

Be mindful of when your child should stay at home and keep children home if they have:

- A high temperature
- Vomiting or diarrhoea (must be symptom-free for 48 hours before returning)
- Are too unwell to take part in normal school activities

Asthma, Eczema & Winter Conditions

Cold air and indoor heating can make symptoms worse. Things to remember...

- Inhalers: Ensure that inhalers are up-to-date and accessible at school.
- Eczema Management: Moisturise skin regularly to manage eczema.
- Asthma Care: Flares can trigger asthma flares-ups, so quick management is essential.
