The end of an absolutely incredible year at Gosford Park!

There has been a lot to celebrate this whole year and particularly this week with our Year 6 pupils finally getting their SATs results. They have done themselves and the school proud – we are sorry to say goodbye to them today but excited to see them heading to the next phase of their education so well prepared. Don't forget to come to back and see us, we love hearing about how you are getting on.

Today we have also said Goodbye to four fantastic staff members:

Miss Surgeon, Mrs Bramble, Miss Coën and Mrs Dixon

You have all been such wonderful people to work with, thank you for all you have done for the Gosford Park community, we will miss you!

The school kitchen had an unannounced hygiene inspection this week and I am delighted to say that they passed with flying colours and have maintained their 5 star rating, huge congratulations and thanks to Jena and her team.

Attached are next years term dates. We will continue with our school improvement journey and have many more exciting opportunities planned for the next academic year. We look forward to welcoming you all back on **Wednesday 2nd September**.

The staff would like to say thank you to all of the families for their kind words and gifts they really are appreciated.

Have a wonderful Summer

Remember, Everyone, Everyday! That's how we make a difference!

Parents' Guide: Growing Up with Phones and Taking Photos

Many children do not realise that photos they take, even if never shared, can be automatically stored online.

**Your Phone Saves More
Than You Think**

Most smartphones can automatically save photos online if backup is switched on and the phone has Wi-Fi or mobile data.

This means:

- Photos can be uploaded as soon as they are taken
- They are no longer just on the phone
- They can stay online even if deleted from the device
- If someone gets into the account, they can see and download these images.

Avoid taking images you would not want shared.

A trusted resource that supports open, honest conversations between parents and children about sensitive topics and how to stay safe.

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
