This week I have been meeting the teachers to discuss the progress of every child in school. It has been so lovely to hear about everyone's successes from huge leaps to small steps of progress – it all makes a difference. Together, we have been making **ambitious** plans to support everyone's learning for the summer term.

While visiting classes around school this week, the leadership team have been pleased to see all of our values demonstrated by the children. Year 4 were showing great **resilience** while looking at decimals for the first time and exploring how these linked with fractions. The **curiosity** shown by our youngest learners in Reception was wonderful when a mysterious dinosaur egg appeared in their classroom! In Nursery, the children were using **ambitious** vocabulary while making potions Year 3 also impressed us while discussing the meaning of reconciliation in their RE lesson. They created some beautiful pieces of artwork to depict reconciliation and peace – something our city is renowned for.

I've been really pleased to see so many children in uniform over the past two weeks. Please remember that PE Kit is also part of our uniform and must follow our policy, outlined below. Just like the Sky Blues wear their kit, we must wear ours to show we are proud to be a part of the Gosford team!

READING ARMY

If you, or a family member are interested in volunteering as part of our Reading Army, we would love to hear from you. Our Reading Army come into school on a morning or afternoon that suits them, to listen to our brilliant children read. This is such an important part of our offer and we would appreciate any support you can offer. Training will be provided but the most important thing we need is your enthusiasm and time. If you would like to join, please speak to the office, who will be able to help you.

Have a wonderful weekend.

Remember, Everyone, Everyday! That's how we make a difference!

Parents' Guide: Growing Up with Phones and Taking Photos

Many children do not realise that photos they take, even if never shared, can be automatically stored online.

Your Phone Saves More Than You Think

Most smartphones can automatically save photos online if backup is switched on and the phone has Wi-Fi or mobile data.

This means:

- Photos can be uploaded as soon as they are taken
- They are no longer just on the phone
- They can stay online even if deleted from the device
- If someone gets into the account, they can see and download these images.

Avoid taking images you would not want shared.

A trusted resource that supports open, honest conversations between parents and children about sensitive topics and how to stay safe.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
