LK1 – Locate the world's countries.											
LK2 - To locate											
and know the											
geographical											
features of North America.											
LK3 - To locate											
and name the											
geographical											
features of South											
America. LK4 — To locate											
and know the											
geographical											
features of											
Europe.											
LK 5 — Name and											
locate counties of the UK.											
LK6 — Name and											
locate major											
Cities of the UK.											
LK7 — Name and											
locate the regions											
within the UK.  LK8 — Locate and											
describe the											
human and											
physical features											
of a county.											
LK9 — Locate and											
describe the human and											
physical features											
of a region.											
LK10 — Identify											
and explain											
patterns in land											
use.											

# Gosford Park Primary School Geography Curriculum

LK11 — To identify the position and significance of various lines of latitude and longitude.											
Place Knowledge	Y3 A1	Y3 A2	Y3 Sp2	Y4 Sp1	Y4 Sp2	Y4 S	Y5 A	Y5 Sp1	Y5 Sp2	Y6 Sp1	Y6 Sp2
PK1 — To know the geographical similarities and differences within a region.											
PK2 — To know the similarities and differences between different regions.											
Human and Physical Geography	Y3 A	Y3 A2	Y3 Sp2	Y4 Sp1	Y4 Sp2	Y4 Su	Y5 A	Y5 Sp1	Y5 Sp2	Y6 Sp1	Y6 Sp2
HP1 — To know the Climate Zones, Biomes and Vegetation belts of North and South America.											
HP2 — To know the physical geography of rivers.						Revisi t					
HP3 — To know the human geography of rivers.											
HP4 — To know the physical geography of mountains.						Revisi t					
HP5 — To know the human geography of mountains.
