Virtual Reality!

Year 6 had the opportunity to experience a virtual reality decisions based film this week. Each person picked their own paths through a story, using the headsets provided by a company called Roundmidnight and West Midlands Police. The Year 6's loved the experience and they will continue this learning in their PSHE lessons!

Nursery Applications!

Nursery spaces for September 2024 are still available. Please visit the school office as soon as possible to secure your child's school space for Nursery 2024.

OPAL News

This week we have started to make changes to our lunchtime provision. Our OPAL program was launched on Tuesday morning with the theme, 'try everything'. The children have fully embraced the changes we have implemented so far.

Here is what our children had to say, *"We get to play in bigger spaces and I like playing with the hippo game."* [Arthur](#)

"I love drawing with chalk." [Annika](#)

"Listening to music at lunchtime is inspirational, you get to have fun and dance with your friends" [Jeshurun](#)

We're loving being on our OPAL journey at Gosford Park!
