## Walk to School Week

**Monday 20<sup>th</sup> May – Friday 24<sup>th</sup> May**

Next week is walk to school week, and our Eco Team are encouraging all families to walk, where possible, to school.

For families who have to drive to school, we are encouraging 'park and stride' where you park slightly further from school and walk the rest of the way.

**You will win Dojos for each day you walk!**

Monday = 1 Dojo  
Tuesday = 2 Dojos  
Wednesday = 3 Dojos  
Thursday = 4 Dojos  
Friday = 5 Dojos

If you walk every day, you will be entered into a raffle.

One lucky person from each class will be chosen.

The prize is a golden ticket to a breakfast at school on the morning of Friday 7<sup>th</sup> June!

## **Gosford's Greatest Grown Up**

Each week staff nominate someone (or occasionally a few people) who have gone over and above for our Gosford Park Community.

This week's Gosford Greatest Grown Up is...

Mr Allen!

He's leaving Gosford Park today, but has been a huge part of our community over the last 4 months and we are sad to see him leave us.

Thank you for all that you have done for the children, staff and families at Gosford Park, Mr A!

### Visit the Black Country Living Museum; you won't regret it!

The Black Country Living Museum is a fun experience for people of all ages! There are fun attractions, shops and actors. This museum is unlike any other; you can immerse yourself in the 1900's.

#### Attractions:

In the museum there are many things to go and see. One of the most popular attractions is the Victorian school. Mr Griffiths, our resident teacher, will teach you the 3 R's - you wouldn't dare to ask any questions in there! There is a mine, an old-fashioned sweet shop and a traditional fish and chip store (another tasty favourite). We have regular buses running through the village to get around. Our comedy theatre has viewing throughout the day so you can take a short break from all the walking.

#### Shops:

After hopping on our bus, you might want to engage in

some shopping. We have some old clothing

stores, motorcycle stores among many others. If you are in need of a rest, why not stop for a drink at one of our pubs which date back to the early 1900. Don't worry, you don't have to pay in shillings! Our streets are filled with shops and shopkeepers who can inform you of how they would have ran back in the time period of our museum.

#### Actors:

Our staff are trained actors and walk around the site longing to talk to all of our visitors. They are skilled in answering questions, which is great for school groups! Do be careful though, we have some policemen walking around to check that you are behaving!

You must come and visit our museum to learn about the past.
