Dear Parents and Carers,

Our Primary Leadership team have been really busy this week tackling our litter issue. Unfortunately, the majority of the litter found on the site wasn't actually litter from school. The team are now meeting to share their ideas for the Golden Shop in the final week of the year and plan their actions for next half term.

Year 6 returned from their residential this week and the whole year group took a visit to our local park on Thursday, the children (and adults) had a fabulous time being reunited as a year group. This afternoon they are selling their cakes to raise money for the activities over the next half term.

During the first week back to school after half term we are hosting our Parent Teachers Association (PTA) Annual General Meeting. During this time we will (hopefully) be electing parents for the roles that need to be covered in order to have a PTA. Everyone is invited and everyone would be welcomed. If you are at all interested in joining, please speak to Miss Stewart on the gates if you have any questions! More information about the date and time is on the calendar.

Enjoy the half term break and we will see you all on **Tuesday 6th June**. We will be on Week 2 menu for school dinners.

The Gosford Park Staff Team

The children will be reflecting on this in class and you may want to talk about this at home!

### Parent and Carer behaviour on site

We have been informed of some abusive language being used on site towards other parents and of some occasions that parents are swearing in front of children.

Please make sure you are being a positive role model for how to behave on school site.

## Aspirations and Get Active Week

Monday 19th– Friday 23rd June 2023

Are you a hairdresser? A vet? A builder? A scientist? A mechanic? Could you inspire our children to want to be like you?

Throughout Aspirations and Get Active Week this year we will be taking part in a range of activities that should inspire us all to get more active.

In addition to this, the children will be exploring life skills in school– looking at using money effectively, doing some independent activities and also learning about what it's like to have a job. We would like to invite in anyone in our community who would be willing to come in to school to talk our classes about their jobs, it could be because it's an exciting thing to do, a job that means you care for others or a job that makes you proud. If you think you could spare the time to visit for an hour, a morning or afternoon or even a full day then we'd love to hear from you. All you'd need to do is email [jstewart@gosfordpark.coventry.sch.uk](mailto:jstewart@gosfordpark.coventry.sch.uk) for more information.
